Funded Sessions

We support the Universal Early Years Entitlement Scheme and offer eligible children up to 15 hours of funded sessions at Blundell's Nursery.

For further detail on the scheme, please refer to guidance here: <https://beststartinlife.gov.uk/>

Parents wishing to use the Universal Early Years Entitlement may do so by their child attending a combination of 5 hour and 7.5 hour sessions, as outlined above. For example: a parent may choose to use their full entitlement over two full days or 3 mornings. Parents may wish to use only part of their entitlement and use the rest at another provider. Additional sessions, beyond the 15 hours of funded sessions, must be paid for at the standard rate.

Please liaise with the preprephead@blundells.org if you wish to use this entitlement.

Number of Nursery Sessions

To ensure that we have the opportunity to build a strong relationship with your child and gain a deep understanding of their individual needs and development, we highly recommend that they attend a minimum of one full day plus one morning or three mornings.

Blundell's Payment Protocol

1. This Payment Protocol applies to all Blundell's families and is intended to support a transparent partnership with parents regarding the payment of school fees and associated charges. The School is committed to maintaining high standards of education, care and provision for all pupils. In return, we ask that parents meet their financial obligations in accordance with the Parent Contract and the School's published terms.
2. This document should be read alongside the Blundell's School Parent Contract, Schedule of Fees and any associated payment agreements.
3. We value open, proactive communication with families and encourage parents to contact the Bursary early if any concerns arise.

Responsibility for Payment of Fees

4. All signatories to the Acceptance Form are jointly and severally liable for all School Fees and charges. In practice, this means both parents remain individually responsible for the full amount due, regardless of any private arrangements between them. Further guidance regarding parental responsibility for fees and third-party payments is set out in Clauses 4.4 and 4.5 of the Parent Contract.

Payment Expectations

5. Fees are payable termly and must be paid in full by the date specified on the invoice, unless an approved alternative payment arrangement is already in place.
6. Any queries relating to extras or specified charges should be raised separately and must not delay payment of core termly fees or any undisputed amounts due.
7. Timely payment of all invoices is essential to support the School's staffing, resources and educational provision.
8. Fees remain payable regardless of pupil absence or partial term attendance.
9. The School may take action where fees remain unpaid or payment is repeatedly late. This may include:
 - Late payment charge of £150 per pupil per term;
 - Interest on overdue balances at 4% above the Bank of England base rate.
 - Charges of £30 for failed Direct Debits;
 - Restriction of access to extras, activities or services;
 - Withdrawal of concessions or payment arrangements;
 - Withdrawal of discounts associated with payment schemes where terms are not adhered to; and
 - Refusal to allow attendance at School and debt and legal action as outlined in the Parent Contract.
10. Parents are reminded of the notice requirements set out in the parent contract.

Payment Options

Bank Transfer

11. Fees may be paid by bank transfer using the child's pupil number as the payment reference. Payment must be made sufficiently early to clear before the due date.

Monthly Direct Debit

12. The School offers a Direct Debit scheme allowing families to spread fee payments across the year without interest charges, for pupils in full-time education from Reception to Year 13. The scheme is only available to UK bank account holders. If you are interested in using this method of payment, please contact feebilling@blundells.org for details.

Fees in Advance Scheme

13. The School also offers a Fees in Advance Scheme for eligible families, subject to separate terms and conditions. Under the scheme fees are paid in advance by lump sum and a 2% termly discount is applied. Separate terms and conditions apply. For more information contact fia@blundells.org.

Communication and Financial Difficulties

14. The School understands that financial circumstances can change unexpectedly. Parents experiencing difficulty in meeting payment deadlines are strongly encouraged to contact the Bursary at the earliest possible opportunity. Early communication allows the School to consider whether temporary support arrangements may be appropriate.
15. Any support or concession remains entirely discretionary and must be confirmed in writing.

Maintaining Accurate Financial Information

16. Parents are requested to ensure the School always holds accurate: contact details; billing information and responsible payer information.
17. The School has legal and regulatory obligations in relation to financial due diligence and reserves the right to request identity verification, source-of-funds information or supporting financial documentation where appropriate. Failure to provide requested information may affect the School's ability to maintain payment arrangements or continue the Parent Contract.

Working in Partnership

18. Blundell's School values strong relationships with parents based on transparency; mutual respect; timely communication and shared responsibility. While the overwhelming majority of families meet their obligations promptly and work collaboratively with the School when difficulties arise.
19. This Protocol is intended to support that partnership and ensure that expectations are clear for all families.
