Our goal is to ensure every student feels safe, supported and empowered to enjoy a memorable and enriching summer experience.

MOBILE PHONE POLICY

At our Summer School, we understand how important it is for pupils to stay connected with family and friends back home. That is why we allow a short, supervised period each evening for pupils to access their phones to make calls or send messages if needed. Outside of this time, phones are securely stored to ensure they do not become a distraction during the day or at night. This approach helps pupils fully engage with the programme, build new friendships and immerse themselves in every activity, while still having the reassurance of regular contact with home.

THE BLUNDELL'S BOARDING EXPERIENCE

Students stay in welcoming boarding houses set within the beautiful Blundell's campus, offering a true experience of British boarding school life.

Younger students are based in a traditional house with a strong sense of care and routine, while older students enjoy more independent living in a modern boarding environment with comfortable rooms and shared social spaces.

Dedicated house staff provide support at all times, creating a safe, friendly atmosphere where students quickly feel at home and build confidence and independence.

MEALS

All meals are served in the school's dining hall, where students eat together in a relaxed and social setting. Food is fresh, healthy, and varied, with international and vegetarian options available. Special dietary needs, including allergies and cultural requirements, are carefully catered for. Mealtimes are an important part of the day, giving students the chance to relax, connect with others, and continue practising English in a natural, everyday environment.

EVERY JOURNEY TAKES ENGLISH BEYOND THE CLASSROOM AND INTO THE REAL WORLD.
