Autumn 2025

Introduction

This guide gives a brief synopsis of the many clubs we have on offer for the Autumn Term. Most clubs take place after school but there are a few in the mornings and some at lunchtime. Morning and lunchtime clubs are free of charge except Funky Jazz, Tennis and Swimming which need to be pre- booked using the booking form. The other morning and lunchtime clubs are not available to request on the booking form but pupils will be told about them during the first few days of term and will be able to book with the relevant member of staff. Some of the music clubs are only open to those who learn the relevant instrument.

We will ask for clubs to be booked termly. This will give us the flexibility to change what we offer slightly to fit in with facilities/weather conditions. We will also be capping our numbers for some clubs to make these more manageable for staff and therefore more worthwhile for our pupils. If your child doesn't get into a chosen club one term then they will be prioritised the next term

Some of the clubs follow a programme which means that children will be required to attend regularly each week and we would like those children who sign up for these clubs to do so for the year. These are indicated in the synopsis below and are in blue.

Those with a termly charge are indicated in the chart on the next page. We would be grateful if parents could help their child to consider very carefully which clubs they would like to join.

Clubs run from 4.45 pm - 5.30pm (all children staying for clubs receive a light tea)
