

WELCOME TO

NURSERY

AT BLUNDELL'S

THE PERFECT PREPARATION FOR RECEPTION

WELCOME

Our vibrant Pre-Prep offers an exceptional education in a safe, secure and nurturing environment. From age three your child's learning journey can begin at Blundell's Prep in our wonderful term time Nursery run by our exceptional teaching staff. Our learning spaces, both inside and out promote collaborative play, choice, a chance for challenge, independence and exploration. Being part of the whole school allows our children to benefit from the extensive facilities and resources at our fingertips. We feel strongly that the early years in a child's education are the most important to enable a child to develop a deep lifelong love of learning and prepare them for their school journey ahead. We therefore deliver an exciting, innovative, well-planned, rewarding Early Years Curriculum, which meets the needs of each and every child at their own pace. Most importantly we strive for children to play and learn in a family environment, where all experiences are enjoyable, engaging and exciting.

Laura Clifford
Head of Pre-Prep

OUR BLUNDELL'S FAMILY

The joy of learning and the excitement of early childhood exploration are celebrated in a warm, caring, family atmosphere. We place great emphasis on every child feeling happy, confident, and eager to come to school each day, working in close partnership with parents. Our experienced, caring Nursery staff warmly welcome children and families every morning.

Each day is carefully structured to combine high-quality teaching with purposeful play, including timetabled phonics activities and early maths to build strong foundations in language and number. Children also enjoy assemblies and productions, specialist teaching in French, Wild Wonders, Sport, Music and Ballet, and trips to local places of interest. Social skills are nurtured through 'family-style' lunches, where children enjoy freshly cooked meals, learn good table manners and chat with friends. We take great pride in welcoming our youngest learners into our school family from the moment they step through the door.
